Through,
The Comptroller, with the
Government of Mysore, Bangalore.

Sir,

With reference to your docket No. 446-Med. 47-15-18, dated, 15th July 1916, I have the honor to forward herewith a proposition statement for an additional Estt. for the Victoria Hospital, Bangalore, involving an extra expenditure of a sum of R .210-8-0 per mensem, and to request that you will be so good as to obtain the sanction of Government to the same as early as possible, the extra cost during the current year being met from the provision made for the Honorary Assistant Surgeon 6th class, in the current year's Budget.

2 Nurses
2 Dhobies

Of the establishment noted in the margin, the necessity for the extra Nurses has already been explained in this office letter No. G. 543, dated, 31st May 1916.

Sh: med file 47-15 Sl: 15

A proposal received from the Medical Officer, Victoria Hospital, Bangalore, to increase the number of Dhobies by 2 and giving a small increase to the existing hands was pending disposal in this office and the same has been included in the proposition statement now sent.

There

There are 4 Dhobies on the Estt. of the Victoria Hospital on a pay of Rs.8/- each. This Estt: was sanctioned in 1903. Since the opening of the Hospital the stock of linen has risen from 4160 to 8351, consequently each dhoby is given 300 to 350 pieces of soiled linen for a wash and they are to give 3 such washes a month. It will be readily seen that the present establishment is not able to cope with the amount of work devolving on it and the washing is reported to be far from being satisfactory.

There are at present 149 beds in the Victoria Hospital and 8 more will be added to it on the completion of the new ward which is under construction. In the Lady Curzon and Bowring Hospitals there are 200 beds and the Dhoby attached to these two Hospitals is paid R .80/- per mensem in addition to cost of washing materials which is reported to be Rs.10 per mensem. The dhobies attached to the Victoria Hospital cost us only Rs.32. They are very much under paid and it is almost impossible to expect a decent washing from them.

In consideration of the dearness of provisions and washing materials, it is proposed to raise their pay to R .10 against R-.8 and increase the number by 2 due to the increased number of patients treated in the Hospital and the extra expenditure of R-.28 on this account is fully justified by the circumstances explained above. The entertainment of 2 ward attendants for the new ward calls for no explanation.

I have the honor to be,
Sir,
Your most obedient servant,

For Senior Surgeon
(absent from station.)

Sir,

With reference to para 2 of Government order No.4792-3/Med.34-16-10, dated the 26th January 1917, I have the honor to forward the accompanying copy of letter No.1247, dated the 28th February 1917 from the Medical Officer in charge, Victoria Hospital, Bangalore, bringing to notice the inconvenience now felt in the hospital in getting the washed linen from dhobies in time.

As it is undesirable to let the unsatisfactory state of affairs continue any longer, I recommend that Government may kindly be moved to accord their sanction to the entertainment of the additional dhobies as proposed in this office No.G.188, dated the 9th December 1916 as well as to the increase of pay to the existing men.

The additional charge on this account viz Rs.84/- at Rs.28/- per mensem for three months from April to June 1917 may be met from the provision of Rs.360/- available under probationers in 20 B Medical (i) Victoria Hospital, Nursing Department, in the current year's Medical budget, necessary provision being caused to be made in the budget of 1917-18.

I have the honor to be, Sir,
Your most obedient servant,

T. V. Armugam

Senior Surgeon.

10

Letter No. 1247, dated the 28th February 1917, from the Medical Officer in charge of the Victoria Hospital, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

With reference to para 2 of Government Proceedings No. 4792-3/Med.34-16-10, dated, 26-1-1917, received with your Memo No. 3704, dated, 13-2-1917, I have the honor to state that the present number of 4 Dhobies is quite insufficient for the increased number of pieces of linen requiring a decent wash. Every attempt has been made to get through the work but with very unsatisfactory results.

The dhobies keep their washes for 20 to 25 days, which they should return within 10 days, pleading their inability to wash the increased number and delibarately wishing to give up their work.

New men are unwilling to take up these appointments under the existing rate of pay.

The delay in getting back washed linen from the dhobies often necessitates patients being clothed in dirty linen for longer time than they ought to do.

The daily soiled linen, which are washed by the Thoties in this Hospital, have to be ~~returned~~ issued back to the wards for use instead of being sent to the dhobies, which is a source of great danger to important Surgical and Medical cases.

As it is undesirable to allow any longer the present unsatisfactory state of affairs regarding the linen of this important Institution, I request you to be so good as to move the Government once more to accord sanction for the extra dhobies and pay asked for.
